- f) if so, the details thereof?

ANSWER

**MINISTER OF CULTURE AND TOURISM
(SHRI GAJENDRA SINGH SHEKHAWAT)**

- (a) to (c) As per Article 246 of the Constitution of India, libraries fall under the State subject in the Seventh Schedule, with public libraries functioning under the administrative control of the respective State or Union Territory authorities. Opening of new libraries comes under the purview of the respective State Government/UT Administration.
- (d) Raja Rammohun Roy Library Foundation (RRRLF), an autonomous organization fully financed by the Ministry of Culture, provided financial assistance for development of existing public libraries in Tamil Nadu through its various approved schemes on the basis of the recommended application received from Tamil Nadu State Library Authority.

Details of the financial assistance released and number of libraries assisted under various RRRLF schemes during 2019-20 to 2023-24 in Tamil Nadu are provided at **Annexure I**.

Additionally, the Ministry of Culture implements the National Mission on Libraries (NML) Scheme, under which financial assistance is provided for the “Up-gradation of existing libraries under the NML Model Library” component. Assistance is extended to one State Central Library and one District Library in each State/UT, based on recommendations from the respective State authorities and subject to availability of State funds, in addition to six libraries identified by the Ministry. This component focuses on four key areas: improvement of infrastructure, up-gradation of technology and modernization of services, creation of facilities for specially-abled groups, and procurement of reading resources to meet local needs along with advocacy and outreach programmes.

The Government of Tamil Nadu was sanctioned financial assistance for upgradation of District Library, Vellore and District Library, Tiruchirappalli as per following details:

(Rupees in lakhs)		
Library Name	Amount Sanctioned	Amount Released
District Library, Vellore	87.00	79.27
District Library, Tiruchirappalli	70.00	68.16

(e)&(f) RRRLF under its Matching and Non-Matching Grant Schemes, provides financial assistance to public libraries for the procurement of computers and related accessories, library automation software, scanners, networking facilities, Wi-Fi and other Information and Communication Technology (ICT) infrastructure. These initiatives facilitate the transition of public libraries towards digital services and enable them to provide access to online information resources, thereby contributing to the promotion of digital literacy among the public.

In addition, RRRLF provides financial assistance under its Seminar Scheme for organizing training programmes, refresher courses, workshops and seminars for library professionals across the States/UTs. These capacity-building programmes aim to enhance the skills of library staff in the use of modern library technologies, information systems and digital tools, enabling them to assist users in accessing e-resources and online services.
