**Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:**

**(a) the salient features and objectives of the MY Bharat 2.0 platform being developed in collaboration with the Digital India Corporation to strengthen the digital participation and empowerment of youth in the country;**

**(b) the progress made so far with regard to implementation of the upgraded platform and its key modules for youth participation, volunteering, leadership training and skills development along with the number of youth onboard under each module; and**

**(c) whether the Government proposes to establish structured impact indicators to measure growth in youth participation, digital engagement and leadership development and employability outcomes through the said platform and if so, the details thereof?**

**ANSWER  
THE MINISTER OF YOUTH AFFAIRS & SPORTS  
[DR. MANSUKH MANDAVIYA]**

**(a) MY Bharat 2.0 platform is one stop youth engagement platform for involving youth of the country in various volunteering and learning activities. It enables creation of youth profile, participation in various experiential learning activities, getting mentorship from experts, connect with other youth, Quizzes, Essay writing, design challenges, hackathons, CV builder etc. The platform also provides web space to other Ministries, Organizations, Knowledge Institutes, Industries, Youth clubs etc. for conducting various engagement programs. As on 28.01.2026 total number of registrations on the MY Bharat portal (<https://mybharat.gov.in/>) is 2,07,70,931. Key modules for youth participation include ‘Volunteer for Bharat’, ‘Experiential learning’ and ‘Quiz and Essay module’. Platform has following major elements for digital access and mobile-friendly services for youth across the country:**

- i. A fully functional mobile application for Android and IOS;**
- ii. AI based Smart CV Builder & Digital Profiles;**
- iii. Integrated dash boards for event creating organizations and educational institutions to analyze the outcomes of the event;**
- iv. Advance features of speech to text, voice assisted navigation and AI chatbots;**
- v. Learning modules and quizzes for youth engagement;**
- vi. Seamless integration to Aadhaar, Digilocker, Bhashini, and MyGov platform of Government of India etc.**
- vii. Major initiative to bridge the digital divide includes accessibility of portal in 22 languages, mobile application and interaction with other Government platforms.**

**(b) Progress in functional key modules relating to youth volunteering participation, Quiz, Essay modules is as follows:**

<b>Sl No.</b>	<b>Key Modules</b>	<b>Youth Participation Count</b>
<b>1</b>	<b>Total participations across Volunteering Opportunities (VO)</b>	<b>22,76,829</b>
<b>2</b>	<b>Number of Youth Engaged through Experiential Learning Programs (ELP)</b>	<b>97,590</b>
<b>3</b>	<b>Total Number of participations in Quizzes hosted on MY Bharat portal</b>	<b>39,33,802</b>
<b>4</b>	<b>Total Number of participations in Essay competitions hosted on portal</b>	<b>70,973</b>

**(c) MY Bharat functions as a youth engagement and participation platform facilitating youth registration, profile creation, and participation in activities such as Experiential Learning Programmes, volunteering opportunities, and events hosted by partner Ministries, organisations, and institutions. The platform's reporting framework currently captures indicators such as youth registrations, activity listings, partner onboarding, and participation levels to assess growth in youth participation and digital engagement. At present, MY Bharat is not a dedicated skill development, employment, or placement portal, and no separate structured impact indicators measuring skilling and employability outcomes have been envisioned beyond participation and engagement metrics.**
