- (d) the steps taken by the Government to address the shortage of doctors and nurses in the said district; and
- (e) whether a health awareness campaign has been launched in the said district recently, if so, the details thereof?

**ANSWER  
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND  
FAMILY WELFARE  
(SHRI PRATAPRAO JADHAV)**

(a): As on 28.02.2026, a total of 3.95 lakh Ayushman cards have been created and 0.78 lakh beneficiaries have availed treatment under Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) in Baghpat district of Uttar Pradesh.

(b): As on 28.02.2026, a total number of 38 hospitals are empanelled under AB-PMJAY in Baghpat district of Uttar Pradesh, that includes 17 public and 21 private hospitals.

(c) to (e): As per the "Health Dynamics of India 2022-23", details of health facilities functioning in the rural / urban areas of the country across all the States/ UTs with available resources, can be accessed at the following link:

The Government of India is supporting the States/UTs, including the State of Uttar Pradesh, for enhancing the healthcare facilities through need-based funding and assistance. The existing Sub Health Centers and Primary Health Centers are upgraded to Ayushman Arogya Mandir in order to deliver affordable, equitable and quality health services to all people. Further, to address human resources, under National Health Mission, different type of incentives and honorarium are provided to doctors and multi-skilling of doctors is supported to overcome shortage of specialists.

The Government of India has taken various initiatives to create awareness among the masses in rural and remote areas, in collaboration with States/UTs. Information, Education & Communication activities include use of short videos, brochures, pamphlets etc. in local languages and to disseminate information about various healthcare services through social media platforms.
