ANSWER

THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES
(SHRI RAVNEET SINGH)

(a) to (c): In order to promote and ensure overall development of Food Processing Industries, Ministry of Food Processing Industries (MoFPI) has been incentivizing setting up/ expansion of related infrastructure, including Millet processing units through its two Central Sector Scheme viz. Pradhan Mantri Kisan SAMPADA Yojana (PMKSY), Production Linked Incentive Scheme for Food Processing Industry (PLISFPI) and a Centrally sponsored PM Formalization of Micro Food Processing Enterprises (PMFME) Scheme. These schemes are not region or state specific but demand driven and are implemented across the country including all districts of Andhra Pradesh.

One component of PLISFPI scheme focuses on Millet-Based Products (MBP), with an outlay of Rs. 800 crores. The objectives of the PLI Scheme for Millet-Based Products (PLISMBP) are to increase the use of millets in food products and promote their value addition by incentivizing the manufacturing and sale of selected millet-based products in both domestic and export markets. As on date, out of total allocation of Rs. 800 crores for PLISMBP, an amount of Rs.793.27 crore has been approved to incentivise 29 applicants, which includes 8 large and 21 Small & Medium entities.

Under PMFME Scheme, Millet based products have been identified as One District One Product (ODOP) in 21 districts in the country.

The details of approved millet projects under schemes of MoFPI are at **Annexure**.

(d) & (e): PMKSY and PMFME schemes are demand driven in nature and applications are invited online to fast track the processing of applications and approval of the projects, as per respective scheme guidelines. Ministry extends financial support to prospective entrepreneurs for setting up of different kinds of food processing industries including millet based products, as per respective scheme guidelines
