ANSWER

THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES
(SHRI RAVNEET SINGH)

(a) to (c): The Ministry of Food Processing Industries is implementing the Pradhan Mantri Kisan Sampada Yojana (PMKSY) as a Central Sector umbrella scheme to boost food processing sector. Under the scheme, the Ministry invites proposals from across the country including Rajasthan from eligible entities/organizations directly through Expression of Interest (EoI) floated from time to time, in accordance with the scheme guidelines. The scheme is demand-driven and the funds are not allocated/sanctioned/released State-wise under any of the component schemes of PMKSY. Based on the eligibility criteria and appraisal, projects are approved and financial assistance is provided in the form of grants-in-aid/ subsidy generally ranging from 35% for General category applicants to 50% for SC/ST/NER and Difficult area applicants of eligible project cost as per scheme guidelines.

In Rajasthan, following projects have been approved under various component schemes under PMKSY since its inception:

- Integrated Cold Chain and Value Addition Infrastructure - 14 projects
- Creation/Expansion of Food Processing & Preservation Capacities (CEFPPC) - 24 Projects.
- Food Testing & Quality Assurance Infrastructure - 02 projects.
- Infrastructure for Agro-Processing Clusters Scheme - 02 projects
- Research and Development - 04 projects
- Mega Food Parks - 02 projects.
- Backward and Forward Linkages - 06 projects.

These projects aim to create modern infrastructure for food processing and value addition in the State. The responsibility of taking loans from banks, execution, ownership and management of the projects supported under PMKSY vests with the Project Implementing Agency (PIA). In case, requests are received from the PIAs, the Ministry takes up the matter with the concerned banks to facilitate resolution of issues faced by PIAs during project implementation.

(d): Under PMKSY, details of financial assistance provided to entrepreneurs for the establishment of food processing industries in Rajasthan during each of the last five years are given at Annexure.
