

GOVERNMENT OF INDIA
MINISTRY OF TRIBAL AFFAIRS
LOK SABHA
UNSTARRED QUESTION NO 4486
TO BE ANSWERED ON 19/03/2026

IMPLEMENTATION OF TRIBAL WELFARE SCHEMES IN BEED, MAHARASHTRA

4486. Shri Bajrang Manohar Sonwane:

Will the Minister of TRIBAL AFFAIRS be pleased to state:

(a) whether the Government has taken cognisance that the benefits of various Central tribal welfare schemes are not fully reaching the tribal areas of Beed district in Maharashtra, if so, the details of beneficiaries and funds distributed, scheme-wise and taluka-wise;

(b) whether the Government has taken note that tribal habitations in Beed district are facing shortages of basic facilities such as education, healthcare, drinking water, roads and employment, if so, the concrete steps taken so far to address these issues; and

(c) whether the Government proposes to introduce new schemes or expand the existing schemes for skill development, self-employment and economic empowerment of tribal youth and women in Beed district, if so, the details thereof?

MINISTER OF STATE FOR TRIBAL AFFAIRS
(SHRI DURGADAS UIKEY)

a) As per the state of Maharashtra, Beed District falls outside the Tribal Sub-Plan (TSP) area and is therefore classified as an OTSP (Outside Tribal Sub Plan) district. In view of this, community development or infrastructure-based tribal schemes are not implemented in the district. However, individual beneficiary-oriented schemes for tribal people are implemented under the District Annual Plan, State Plan, and Central Plan.

The implementation of these schemes is monitored by the concerned Project Office. To ensure that benefits reach the intended tribal beneficiaries, Tribal Inspectors are deputed to conduct spot verification of beneficiaries. After field verification, the inspectors submit their reports to the Project Office to confirm that the benefits have been received by the actual beneficiaries.

Further, no complaints have been received from tribal communities in Beed District regarding non-receipt of benefits under these schemes. The Project Office also reviews the outcomes of the schemes through government-authorised agencies to ensure proper delivery of benefits. The details of the Central tribal welfare schemes, scheme-wise beneficiaries and funds distributed is attached at **Annexure I**.

b) For providing basic facilities such as education, healthcare, drinking water, roads and employment, the Project Office implements various community development schemes under the Thakkar Bappa Tribal Vasti Development Programme. Based on the requirements raised by the Gram Panchayats and tribal communities, works such as construction of cement concrete roads, community centres, Mangal Karyalay, cremation ground sheds, protection walls, water filtration systems, drainage lines, pipelines, and installation of solar high mast lights are undertaken.

Further, the Government has recently introduced the Dharti Aaba Tribal Village Development Scheme. Under this scheme, the Central Government has selected tribal villages covered under the Antyodaya Yojana for focused development. In Beed District, two villages i.e, Nimgaon Khalwad and Kuppi in Wadwani Taluka have been selected under the scheme as per the prescribed norms.

c) Government is implementing Skill Development Scheme for Tribal unemployment Youth through Nucleus Budget Scheme i.e. Training of Plumber, Two-Wheeler Garage mechanic, Security Guard,

photography, computer operator, sales man Training for mall, and various scheme for income generation i.e. supply of Atta Chakki, Pulverizer, Mandap Decoration, Juicer machine, Katlari shop, etc. The details of schemes for skill development, self-employment and economic empowerment of tribal youth and women in Beed district are attached at **Annexure II**
