**UNSTARRED QUESTION NO- 4548**  
TO BE ANSWERED ON- 19/03/2026

**IMPLEMENTATION OF SPECIAL DRIVE FOR FRA CLAIMS**

4548. SHRI RAJESH NARANBHAI CHUDASAMA:  
SHRI BHOJRAJ NAG:  
SHRI NABA CHARAN MAJHI:

Will the Minister of TRIBAL AFFAIRS be pleased to state:

- (a) the total number of Individual Forest Rights and Community Forest Rights titles distributed so far since the inception of the Special Drive in 2024 to clear the backlog of claims, State/UTwise;
- (b) the impact of Van Dhan Vikas Kendras in increasing the value addition of Minor Forest Produce and the resultant growth in the average annual income of tribal self-help groups; and
- (c) the success of the Minimum Support Price for Minor Forest Produce scheme in protecting tribal gatherers from middle-men specifically for high-value items like Mahua, Tamarind and Tendu leaves?

**ANSWER**

MINISTER OF STATE FOR TRIBAL AFFAIRS  
(SHRI DURGA DAS UIKEY)

(a): From November 2024 onwards till February 2026, a total of 41,095 Individual Forest Rights (IFR) and 8,439 Community Forest Rights (CFR) titles have been distributed under FRA.

(b): TRIFED, on behalf of the Ministry of Tribal Affairs has been implementing “Pradhan Mantri JanajatiyaVikas Mission (PMJVM)”, which provides livelihood generation for the tribal beneficiaries across the country. PMJVM has been designed through the merger of two existing schemes i.e., “Mechanism for Marketing of Minor Forest Produce (MFP) through Minimum Support Price (MSP) and Development of Value Chain for MFP” and “Institutional Support for Development and Marketing of Tribal Products/Produce”. The scheme is implemented through the State Nodal Departments (SNDs) and State Implementing Agencies (SIAs) in 25 states and 3 UTs across the country. As of now, under the PMJVM scheme, 4,162 VDVks have been sanctioned, comprising 12,45,032 tribal members. Out of the total sanctioned VDVks, 2,817 VDVks have been reported to be operationalized, with reported sales of Rs. 15829.88 lakh. The statewise details of VDVks is at **Annexure-1**.

Additionally, TRIFED has been also establishing PM JANMAN VDVks on behalf of the Ministry of Tribal Affairs (MoTA) under the Pradhan Mantri Janjati Adivasi Nyaya MahaAbhiyan (PM JANMAN) scheme through SNDs and SIAs across the country for Particularly Vulnerable

Tribal Groups (PVTGs). As on date, 539 VDVKs have been sanctioned, comprising 45,958 members. Out of the total sanctioned VDVKs, 491 VDVKs have been reported to be operational with sales of Rs.532.42Lakh. The state wise details of PM JANMAN VDVK is at **Annexure-2**.

Impact of VDVK program has benefited approximately 12,90,990 members since inception. Through this Yojana, many tribals have gained an understanding of the importance of value addition, packaging, and branding, and have been exposed to various business opportunities, showcasing their own brands. Few States have made recognizable progress by showcasing and establishing their own brand with VDVK Products eg. Shabari Naturals (Maharashtra), Trissam (Assam), Angiya (Nagaland), GCC (Andhra Pradesh), Adisha and TDDCOL (Odisha), Chattisgarh Herbals (Chattisgarh) & Van Sri (Kerala). However, many VDVKs are still in transition to become fully functional.

**(c):** The Tribal Cooperative Marketing Development Federation of India Ltd. (TRIFED) implements the Minimum Support Price for Minor Forest Produce (MSP for MFP) Scheme, under which a Revolving Fund is provided to State Governments to facilitate procurement operations. Through this mechanism, Minimum Support Price is ensured for tribal forest produce gatherers for 87 identified Minor Forest Produce (MFP) items, thereby protecting them from distress sales and exploitation by intermediaries. The list of MFPs/Items and their MSP rates notified by the Ministry of Tribal Affairs under the scheme MSP for MFPs is at **Annexure-3**. Under the Revolving Fund component, an amount of Rs.32,215.54 lakh has been released to the States for procurement of 87 identified MFP items, against which the total procurement value reported by States stands at Rs.69,398.28 lakh. Major commodities procured include De-seeded Tamarind (Rs.1,805.71 lakh), Seeded Tamarind (Rs.23,159.75 lakh), and Mahua Flower (Rs.3,339.75 lakh), as reported by the States.
