**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION  
(SHRI JAYANT CHAUDHARY)**

(a) to (c): The Navodaya Vidyalaya Scheme envisages for opening of one Navodaya Vidyalaya (NV) in each district of the country. Opening of new NVs is a continuous process which depends on the willingness of the concerned State Government/UT administration to make available requisite suitable land, free of cost, for construction of the permanent building and making available required temporary building, free of rent, to run the Vidyalaya till the permanent building is constructed. Sanction and opening of new NVs depends on approval by the competent authority as per extant procedures.

In December 2024, the Central Government has approved the establishment of 28 new NVs across the country, including 07 NVs in Telangana. At present, 16 NVs have been sanctioned in 16 districts of Telangana, out of which 15 NVs are functional. District-wise details of NVs are annexed.
