

GOVERNMENT OF INDIA  
MINISTRY OF CHEMICALS AND FERTILIZERS  
DEPARTMENT OF FERTILIZERS

**LOK SABHA**

**UNSTARRED QUESTION NO. 4715 TO BE ANSWERED ON: 20.03.2026**

Surge in Fertiliser Imports

**4715. Shri Subbarayan K:**

Will the Minister of **Chemicals and Fertilizers** be pleased to state:

- (a) whether it is a fact that the sales and imports of various fertilizers have surged during April-January 2025-26 while the Government was aiming to cut Urea and Diammonium Phosphate (DAP) consumption by introducing nano variants of the fertilizers;
- (b) if so, the details of the domestic production of Urea and DAP financial year along with the import and total sale of the said fertilizers during the year 2025-26 so far; and
- (c) the reasons for the surge in the consumption of fertilisers during the said period?

**ANSWER**

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS

**(SMT. ANUPRIYA PATEL)**

(a) to (c): Before the commencement of each cropping season, Department of Agriculture and Farmers Welfare (DA&FW), in consultation with all the State Governments, assesses the state-wise & month-wise requirement of fertilizers. The requirement of fertilizers is assessed taking into account the projected gross cropped area, irrigated area, last three seasons' consumption pattern and crop wise recommended dose of fertilizers as per soil Health fertility status etc. On the basis of requirement projected, Department of Fertilizers allocates adequate quantities of fertilizers to States by issuing monthly supply plan.

Further, the gap between demand (requirement) and Indigenous production of fertilizers is met through imports well in advance to ensure adequate and timely availability of fertilizers in the country.

Accordingly, the information regarding domestic production, imports and sales of Urea and DAP during April-January 2025-26 and April-January 2024-25 is as under:

<b>Fertilizer</b>	<b>Domestic Production</b>		<b>Imports</b>		<b>Sales</b>	
	<b>2024-25</b>	<b>2025-26</b>	<b>2024-25</b>	<b>2025-26</b>	<b>2024-25</b>	<b>2025-26</b>
Urea	258.48	251.26	48.70	89.30	345.86	352.61
DAP	34.25	33.71	43.09	60.16	90.31	91.36

However, the Government of India, under the Fertilizer Control Order, 1985, has notified various Nano Nitrogen fertilizers viz. Nano Urea and Nano DAP.

The sales of Nano Urea and Nano DAP during April-January 2025-26 stands at 182.50 lakh and 144.93 lakh bottles (500 ml equivalent), respectively.
