**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SUSHRI SHOBHA KARANDLAJE)**

(a): The number of the Insured persons and Beneficiaries covered under the Employees' State Insurance Corporation (ESIC) as on 31.3.2025 are 3,84,35,880 and 14,91,31,214 respectively. The State/UT wise detail is at Annexure.

(b): ESIC has launched the Scheme to Promote Registration of Employers/Employees (SPREE,2025) for the period from 1st July 2025 to 31st December, 2025, which was further extended for one month's period up to 31st January, 2026. (c): ESIC is continuously expanding its healthcare infrastructure and services across the country. A total of 98 new ESI hospitals and 61 dispensaries have been sanctioned to strengthen medical facilities, and approval has also been granted for the upgradation of bed capacity in 12 ESI hospitals. In addition, super-specialty services—including Urology, Cardiology, Nephrology, Oncology, Pediatric Surgery, Gastroenterology, Endocrinology, Rheumatology, and Neurology—are now available in 25 ESIC hospitals. To ensure wider access to advanced treatment, ESIC has entered into tie-up arrangements with public and private hospitals for cashless inpatient care where such services are not available in its own institutions. Further, an Memorandum of Understanding with Ayushman Bharat–Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) enables ESIC beneficiaries to receive cashless treatment at empanelled Ayushman hospitals. As part of efforts to improve emergency and critical care, 5G-enabled ambulances with real-time patient monitoring have been introduced in 06 ESIC Medical Colleges. Guidelines have also been issued for establishing in-house dialysis facilities, as well as blood banks in hospitals with more than 300 beds and blood storage units in smaller hospitals.

(d): ESIC has simplified and digitized registration and claims processes through its online ESIC Portal. Employers and employees can register online, and Insured Persons can directly submit claims for cash benefits, including sickness benefit, maternity benefit and other related benefits, through the Insured Person (IP) Portal.
