Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) the total number of women who have achieved the status of Lakhpati Didi (annual income of 1 lakh or more) as of early 2026 under Deendayal Antyodaya Yojana National Rural Livelihood Mission (DAY-NRLM) as of January 2026 during the last three years, State and district-wise specifically in Chatra, Latehar, Hazaribagh, Ramgarh and Palamu districts of Jharkhand, Madhya Pradesh, Uttar Pradesh, Jalgaon, Akola and Washim districts of Maharashtra, Nabarangpur Lok Sabha Constituency of Odisha, Karnataka, Pali Lok Sabha Constituency, Bihar, Chhattisgarh, Bulandshahr district in Uttar Pradesh and Sidhi Lok Sabha Constituency of Madhya Pradesh, Bharatpur Lok Sabha Constituency of Rajashtan and Bastar Lok Sabha Constituency of Chhattisgarh;**
- (b) the total number of Women Self-Help Groups that have been provided drones under the Namu Drone Didi initiative along with the details of training, financial assistance and institutional support provided, year, State and district-wise including above said places;**
- (c) the extent to which total income generated by them through drone based rental services to farmers including crop spraying, monitoring and precision agriculture support and the number of rural women whose skills have been upgraded during each of the last three years, State, district and sector-wise including above said places;**
- (d) the specific measures undertaken by the Government to provide advanced technical training and entrepreneurial training to rural women in non-farm emerging sectors such as solar panel installation/maintenance, LED bulb manufacturing and other emerging livelihood activities to ensure that they remain the drivers of a Viksit Bharat along with the funds allocated and utilised for the purpose including above said places; and**
- (e) the steps taken to further strengthen women-led entrepreneurship and livelihood diversification in rural districts of the country, State-wise including Bulandshahr?**

ANSWER
MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(DR. CHANDRA SEKHAR PEMMASANI)

(a): Lakhpati Didi initiative is an outcome of Deendayal Antyodaya Yojana-National Rural Livelihoods Mission (DAY-NRLM), a Centrally Sponsored Scheme being implemented by Ministry in partnership of States and UTs (except Chandigarh and Delhi), with the objective to improve the livelihoods of poor rural households in country, and organise rural households into Self-Help Groups (SHGs) for their social and financial inclusion.

A Lakhpati Didi is a Self-Help Group Member, whose annual household income is at least Rs. 1,00,000 (Rupees One Lakh) with an average monthly income of at least Rs. 10,000 (Rupees Ten Thousand) sustained for at least 4 agricultural seasons and/or business cycles. State wise details of Lakhpati didi are given at Anenxure-I. District wise details may be seen from <https://lakhpatididi.gov.in/>.

(b)&(c): The Government has approved 'Namo Drone Didi' as Central Sector Scheme for providing drones to the Women Self Help Groups (SHGs) with an outlay of Rs. 1261 Crores. As per the information provided by the Department of Fertilizers, Lead Fertilizer Companies (LFCs) have distributed 1094 drones to drone didis of SHGs in 2023-24 using their internal resources. Out of these 1094 drones distributed, 500 drones have been distributed under the Namo Drone Didi Scheme. All these SHG members have been provided training at the Remote Pilot Organisations (RPTOs) authorised by DGCA. The State-wise and district-wise details of drones distributed & SHG members trained as drone pilots are given at Annexure-II.

Agricultural Development and Rural Transformation Centre (ADRTC), Bangalore have carried out a study on economics and business viability of drone operations on these 500 drones provided by LFCs under Namo Drone Didi scheme. The study indicates that the SHGs earlier were primarily engaged in agriculture and allied activities and the drones provided to them has expanded their niche to modern agricultural practices through drone technology, enhancing their efficiency and productivity. Overall, the adoption of drones has diversified SHG activities, improved agricultural practices, and increased income opportunities for women in rural communities.

The specific findings of the study concerning the western including the State of Maharashtra are as under:

- I. farmers have shown willingness to use drone services at an average of Rs.379 per acre.**
- II. 99% farmers expressed that they would recommend drone services to other farmers.**
- III. 82% farmers felt the rental charges were comparatively cheap. 18% found the costs affordable.**
- IV. 97% reported water saving, 87% reported savings in labour cost, 74% reported savings in pesticide, 77% reported savings in Fertilizer use 48% reported saving of Diesel.**

(d) & (e): Deendayal Antyodaya Yojana-National Rural Livelihoods Mission (DAY-NRLM) focuses on strengthening non-farm specific livelihoods by empowering the women and their family members to promote/strengthen their units by Start-up Village Entrepreneurship Programme (SVEP) umbrella, a sub-component of NRLM.

Under DAY-NRLM, initiatives such as SVEP, One Stop Facility, Micro Enterprise Development, cluster and incubator components are implemented to promote rural enterprises. These programmes also provide technical and entrepreneurial skill and to rural women in emerging non-farm sectors like solar panel installation, LED bulb assembling, and similar activities so that women continue as drivers of a *Viksit Bharat*.

Start-up Village Entrepreneurship Programme (SVEP) is a sub-scheme under Deendayal Antyodaya Yojana–National Rural Livelihoods Mission (DAY-NRLM) aims at promoting women-led entrepreneurship and livelihood diversification in rural areas. SVEP is a demand-based programme, which supports Self-Help Groups (SHGs) and their family members in setting up small enterprises in the non-farm sector. There is no State wise allocation of projects. States have to submit proposals through supplementary Annual Action Plans (AAP). Once approved, a Detailed Project Reports (DPR) has to be prepared for the block. The block is the unit of implementation. The funds allocation for each block depends on the number of enterprises to be supported as per the DPR. As of February 2026, a total of 4.17 lakh enterprises have been supported under SVEP, State wise details are given at Annexure-III and in Bulandshahr district, 21,256 enterprises have been supported.

ANNEXURE-I
