(a) the details regarding the list of CSR projects proposed, under consideration and presently functional by PSUs under the Ministry of Steel in Andhra Pradesh, district-wise and in Eluru district;

(b) the details regarding the list of focus sectors that CSR projects have been proposed, undertaken and presently functional in Andhra Pradesh, district-wise and in Eluru district;

(c) the details regarding the total amount of funds allocated, released and utilised for each CSR initiative specified above across Andhra Pradesh, district-wise and in Eluru district; and

(d) the details regarding the total number of beneficiaries of such CSR activities over the last five years across Andhra Pradesh, district-wise and in Eluru district?

ANSWER

THE MINISTER OF STATE IN THE (SHRI BHUPATHIRAJU SRINIVASA VARMA)
MINISTRY OF STEEL

(a)to(c): Corporate Social Responsibility(CSR) projects are not allocated State-wise. However, CSR projects by Central Public Sector Enterprises(CPSEs) under Ministry of Steel are mainly carried out in periphery of Steel Plants, Steel Townships and Mines which are predominantly inhabited by Scheduled Tribe, Scheduled Castes and Backward population. As per the Companies Act, 2013 and CSR guidelines, activities are undertaken based on local needs and priorities.

The focus areas include education, healthcare, women empowerment, livelihood generation, sanitation, rural development, environmental sustainability, sports and promotion of traditional art and culture.

(d) The CSR works benefit society at large, therefore, exact number of beneficiaries due to individual work by CPSEs, District-wise, is not measurable and is not maintained.
