

GOVERNMENT OF INDIA
MINISTRY OF STEEL

LOK SABHA
UNSTARRED QUESTION NO. 5098
FOR ANSWER ON 24.03.2026

PRODUCTION LINKED INCENTIVE SCHEME FOR SPECIALTY STEEL

5098. SHRI PRADEEP KUMAR SINGH:
SHRI ANANTA NAYAK:
SHRI DINESHBHAI MAKWANA:
SHRI BIDYUT BARAN MAHATO:
SHRI BIBHU PRASAD TARAI:

Will the Minister of STEEL be pleased to state:

- (a) the number of companies approved under the PLI Scheme for Specialty Steel and the total committed investment, State-wise including Odisha;
- (b) the quantum of actual investment realised so far including the amount invested in Odisha;
- (c) the incremental production capacity created in coated/plated steel, high-strength steel and alloy steel categories; and
- (d) whether domestic import dependence in specialty steel has reduced year-on-year and if so, the details thereof?

ANSWER

THE MINISTER OF STATE IN THE (SHRI BHUPATHIRAJU SRINIVASA VARMA)
MINISTRY OF STEEL

(a)to(d): Under the Production Linked Incentive (PLI) Scheme, there are 44 projects from 19 companies in the first round, 42 projects from 25 companies in the second round, and 85 projects from 60 companies in the third round across the country, including Odisha. The committed investment across all three rounds is ₹ 55,993 crore, out of which ₹ 23,827 crore has been realised so far. The scheme has led to the creation of 24 million tonnes of specialty steel capacity in coated/plated, high-strength, alloy steel and electrical steel categories. The scheme has contributed to reduction in imports through an incremental production valued at ₹6,000 crore.
