

**GOVERNMENT OF INDIA  
MINISTRY OF PLANNING**

**LOK SABHA  
UNSTARRED QUESTION NO. 5300  
TO BE ANSWERED ON 25.03.2026**

**NATIONAL MONETISATION PIPELINE (NMP) 2.0**

**5300. Shri Shrirang Appa Chandu Barne:**

**Shri Vishaldada Prakashbapu Patil:**

**Shri Naresh Ganpat Mhaske:**

**Dr. Shrikant Eknath Shinde:**

**Shri Atul Garg:**

**Smt. Bharti Pardhi:**

**Shri Ravindra Dattaram Waikar:**

**Will the Minister of PLANNING be pleased to state:**

**(a) whether the Government has launched the National Monetisation Pipeline (NMP) 2.0 for the period FY 2026-2030 to monetise public infrastructure assets and if so, the details thereof and if not, the reasons therefor;**

**(b) the total monetisation target under NMP 2.0 and the key infrastructure sectors identified particularly in the States of Maharashtra and Madhya Pradesh;**

**(c) whether the programme aims to attract private investment and improve asset utilisation efficiency and if so, the details thereof and if not, the reasons therefor;**

**(d) the details of institutional mechanism established for transparent implementation and monitoring; and**

**(e) the details of expected impact on infrastructure development, fiscal sustainability and long-term economic growth?**

**ANSWER**

**MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF STATISTICS & PROGRAMME IMPLEMENTATION; MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF PLANNING AND MINISTER OF STATE IN THE MINISTRY OF CULTURE**

**(RAO INDERJIT SINGH)**

**(a) & (b) The Union Budget 2025–26 announced the launch of NMP 2.0 to plough back Rs. 10 lakh crore to further accelerate infrastructure creation in the country. Accordingly, the National Monetisation Pipeline 2.0 (NMP 2.0) was launched on February 23, 2026.**

**NMP 2.0 estimates an aggregate monetisation potential of Rs. 16.72 lakh crore, including private sector investment of Rs. 5.8 lakh crore, through the monetisation of core assets of the Central Government over the five-year period from FY 2026 to FY 2030.**

**In terms of annual phasing by value, assets with indicative values (in Rs. lakh crore) of around 2.49, 3.26, 3.46, 3.68, and 3.81 are envisaged to be rolled out in FY26, FY27, FY28, FY29, and FY30 respectively.**

**The sectors included, along with their indicative asset values (in Rs. lakh crore) are around: highways (including Multi-Modal Logistic Parks (MMLPs) and ropeways) – 4.42; railways – 2.62; power – 2.76; petroleum and natural gas – 0.16; civil aviation – 0.27; ports – 2.63; warehousing and storage – 0.10; urban – 0.52; coal – 2.16; mines – 1.0; telecom – 0.048; and tourism – 0.012.**

**The details of the assets to be monetised under NMP 2.0 are not maintained on state-wise basis.**

**(c) to (e) Asset monetisation is expected to generate upfront as well as future revenue streams, which provide additional capital for new infrastructure development. Further, NMP includes projects with private sector investment of Rs. 5.8 lakh crore enabling accelerated infrastructure development. NMP enables the recycling of productive public assets, thereby unlocking resources for reinvestment in new projects and capital expenditure.**

**The Projects under NMP are governed by the respective contracts which broadly include frameworks to ensure efficient delivery of services and improved asset utilisation.**

**A Core Group of Secretaries on Asset Monetisation under the chairmanship of the Cabinet Secretary monitors the progress of Asset Monetisation programme.**

**NMP 2.0, by enabling capital recycling and attracting private sector investment, is expected to result in higher capital expenditure on infrastructure creation and have a direct positive impact on the country's economic growth.**
