

GOVERNMENT OF INDIA
MINISTRY OF NEW AND RENEWABLE ENERGY
LOK SABHA
UNSTARRED QUESTION NO. 5461
ANSWERED ON 25.03.2026

POWER GENERATION FROM RENEWABLE SOURCES

5461. SHRI SANJAY UTTAMRAO DESHMUKH

Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) the details of the installed capacity, power generation capacity and power generation from various new and renewable energy sources in different States of the country;
- (b) the details of funds allocated and disbursed to the States which have generated surplus energy through new and renewable energy sources during the last three years, project-wise;
- (c) whether the Government has conducted any review in this regard and if so, the details thereof;
- (d) whether the Government has provided any incentives to the States which have produced surplus power through new and renewable energy sources;
- (e) if so, the details thereof and if not, the reasons therefor; and
- (f) the details of the States in the country which are generating surplus power through new and renewable energy sources, State and location-wise?

ANSWER

THE MINISTER OF STATE FOR NEW & RENEWABLE ENERGY AND POWER

(SHRI SHRIPAD YESSO NAIK)

(a) to (e) State-wise and source-wise details of Renewable Energy (RE) installed capacity in the country as on 28.02.2026 are given at **Annexure-I**. Further, State-wise and source-wise details of renewable energy generation during the last three years and the current year upto January, 2026 are given at **Annexure-II**.

At present there is no specific provision to incentivise States for generating surplus renewable energy in the country. However, the Government is implementing various schemes and programmes, which are mostly demand driven, providing financial support and incentives for installation of renewable energy projects by states/UTs. The states/UTs can avail financial support and incentives through participation in these schemes and programmes. Further, the economy of the home State where renewable energy plants are set up already gains by way of increased business, higher employment, etc. State-wise details of Central Financial Assistance (CFA) disbursed for renewable energy projects under the major ongoing schemes/ programmes of the Ministry of New & Renewable Energy during the last three years are given at **Annexure-III**.

(f) Certain States have a greater potential to generate RE Power, being in RE rich regions. The top five RE generating States in the country during the last three years have been Rajasthan, Gujarat Karnataka, Himachal Pradesh and Tamil Nadu. As per the information received from Central Electricity Authority (CEA), renewable energy plants has been accorded must run status. Hence, any RE power fed into the grid is also consumed. The State-wise and source-wise details of renewable energy generation during the last three years and the current year upto January, 2026 have been given at **Annexure-II**.

**Annexure-I referred to in reply of parts-(a) to (e) of the Lok Sabha Unstarred Question
No. 5461 to be answered on 25.03.2026**

State-wise details of Renewable Energy installed capacity as on 28.02.2026
