**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SUSHRI SHOBHA KARANDLAJE)**

::2::

EPFO conducts awareness and outreach programme/camp 'Nidhi Aapke Nikat' (NAN) in each district under the jurisdiction at a pre-decided location near Industrial clusters on 27th of every month. In these camps, the employees are informed about their social security rights and obligations. Employers are also facilitated in getting social security coverage for their employees. In the Financial Year 2025-26, 439 NAN camps have been conducted by various Regional Offices in Telangana Zone.

Ministry of Labour & Employment has launched PMVBRY Scheme to monetarily incentivize first-time employees and also to incentivize employers for generating employment. As on 23.03.2026, Regional Offices in Telangana Zone conducted 1,954 webinars, seminars, and workshops, along with 1,697 press briefings, newspaper coverage, and social media campaigns under PMVBRY outreach. Sector-specific campaigns were undertaken in major industry clusters such as textiles, pharmaceuticals, MSMEs, leather and footwear, rubber and plastics, and food processing.

EPFO has launched Employees Enrolment Campaign (EEC) 2025. Under this scheme, the employer can enroll those employees with EPFO who could not be enrolled as member of EPF due to any reason. Under the EEC 2025 campaign, 625 focused webinars and meetings were conducted in Telangana with employers and employees.

The Employees' State Insurance Corporation (ESIC) also, regularly undertakes sustained initiatives to create awareness about the benefits available under the ESI Scheme in labour intensive areas.

At the local level, regular outreach activities are carried out by the ESIC Field Units to directly engage employers and workers. The details of awareness programs conducted in Telangana is appended below:-

Type of Activity	Total Seminars/Awareness Camps Conducted	Units visited by ESIC SPREE teams till 31.01.2026	No. of Units Covered	No. of Employees Covered
Total	136	18176	5010	612559

Additionally, awareness camps along with Suvidha Samagam are conducted every month in coordination with Nidhi Apke Nikat of EPFO in the state of Telangana. ESIC also observes a Special Services Fortnight every year in February, during which field offices and hospitals, including those in Telangana, organize awareness camps, seminars, grievance-redressal programmes, health talks and health screening camps for insured workers and their dependents.

ESIC has launched a scheme named SPREE 2025 (Scheme for Promotion of Registration of Employers and Employees) from 01-07-2025 to 31-01-2026. This scheme offers a one-time opportunity for employers to register themselves (as employers) and their employees who may have been inadvertently left out from ESI coverage without concern for retrospective coverage or punitive actions.

Further, during SPREE (Scheme for Promotion of Registration of Employers and Employees), ESIC undertook an extensive, multilingual and multi-channel pan India awareness campaign through press releases, digital outreach, print, outdoor and radio publicity, and direct field-level interactions to encourage voluntary registration and expand social security coverage from 01 July 2025 to 31 January 2026.
