- (a) the details of the location, present status and key project details of the PM Gati Shakti Cargo Terminal proposed in Bengaluru and the reasons for delay in its implementation;**
- (b) the details of railway electrification and doubling works in the South Western Railway (SWR) including the route kilometres electrified/doubled during the last five years along with timelines and the cost incurred;**
- (c) the details of passenger volumes, occupancy and revenue of major trains connecting Bengaluru with other State capital cities along with freight performance including volumes handled, freight rates and wagon turnaround time in the region; and**
- (d) the current status of the proposed Vande Bharat sleeper maintenance depot near Thanisandra in Bengaluru along with project cost, capacity and the expected timeline for their completion?**

**ANSWER**

**MINISTER OF RAILWAYS, INFORMATION & BROADCASTING AND  
ELECTRONICS & INFORMATION TECHNOLOGY**

**(SHRI ASHWINI VAISHNAW)**

**(a) to (d): In order to encourage the setting up of cargo terminals through private investment, Gati Shakti Multi-Modal Cargo Terminal (GCT) policy has been launched. Under this policy, 128 GCTs have already been commissioned (including 2 in Bengaluru Division). Further, in-principle approvals (IPAs) for 292 more locations have been given (including 5 in Bengaluru Division). Details of the Gati Shakti Multi-Modal Cargo Terminals (GCTs) commissioned**

**As per the provisions of the GCT policy, the GCT Operators are expected to complete the construction within twenty-four (24) months from the grant of final Engineering Scale Plan (ESP) approval for commencement of construction. However, the completion of any project depends on several factors such as land acquisition, forest clearance and other statutory clearances etc.**

**Further regarding electrification, it is stated that electrification of railway network on Indian Railways has been taken up in mission mode. So far, about 99.4% of Broad Gauge (BG) network has been electrified. The**

**electrification in remaining network has been taken up. Electrification carried out during 2014-25 and before 2014 is as under:**

**With regards to passenger services connecting Bengaluru with major State capitals continue to operate with high occupancy and contribute significantly to revenue, while freight operations in the zone handle major commodities with steady loading and improved wagon turnaround time due to infrastructure upgrades.**

**On Indian Railways, demand pattern varies over lean and peak periods. During peak rush periods, the occupancy of the trains especially on popular routes remains full whereas during lean period and on less popular routes, there is sub-optimal utilization. The list of the trains connecting Bengaluru area is as under-**
