**ANSWER**

MINISTER OF STATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES  
(SUSHRI SHOBHA KARANDLAJE)

(a) to (g): The revised definition of MSMEs, based on the twin criteria of investment and turnover, was adopted in 2020 and Notification S.O. 2119(E) dated 26.06.2020 was issued. To facilitate the enterprises in line with Ease of doing Businesses, Udyam Registration Portal was launched for registration of an enterprise on 01.07.2020. Udyam registration process is voluntary, fully online, free, paperless and based on self-declaration. No documents or proof are required to be uploaded for registering on Udyam Registration Portal. The process is fully automated and there is no human intervention involved at the end of the Ministry.

The Udyam Registration is not a scheme. It is a free digital platform designed to facilitate a simple and seamless registration process to MSMEs across the country. Hence, no state wise fund is allocated for Udyam Registration Portal.

Since inception on 01.07.2020 and as of 25.01.2026 total 7.55 crore MSMEs with a reported employment of 33.34 crore have registered on Udyam Portal.

The sector wise details of MSMEs including in the state of Maharashtra, on Udyam Portal, since the launch of Udyam Portal till 25.01.2026 are given at Annexure I.

The MSME classification framework provides for Micro, Small and Medium Enterprises under the MSME Development Act, 2006. As notified vide Gazette S.O. 1296(E) dated 20.03.2023, the Informal Micro Enterprises registered on the Udyam Assist Platform are treated at par with Udyam Registration for availing Priority Sector Lending benefits. Further, first-generation entrepreneurs, including in rural and semi-urban areas, are supported through schemes such as PMEGP, Credit Guarantee Scheme and other MSME facilitation programmes.

(h): As per the information received from Securities and Exchange Board of India (SEBI) Mumbai, MSME classification is not captured in any of the exchange. However, the number of SMEs listed on stock exchange as on 27.01.2026 in terms of SEBI (Issue of Capital and Disclosure Requirements (ICDR) Regulations is detailed below:

Name of the Stock Exchange	Number of SMEs listed on the Stock Exchange
BSE	498
NSE	544

(i): MSME-Sustainable (ZED) Certification Scheme was launched on 28.04.2022. The ZED Certification envisages promotion of Zero Defect Zero Effect (ZED) practices amongst MSMEs so as to:

- Encourage and enable MSMEs for manufacturing of quality products using latest technology, tools and to constantly upgrade their processes for achievement of high quality and high productivity with the least effect on the environment
- Develop an Ecosystem for ZED Manufacturing in MSMEs, for enhancing competitiveness and enabling exports
- Promote adoption of ZED practices and recognising the efforts of successful MSMEs
- Encourage MSMEs to achieve higher ZED Certification levels through graded incentives
- Increase public awareness on demanding Zero Defect and Zero Effect products through the MSME Sustainable (ZED) Certification
- Identify areas to improve upon, thereby assisting the Government in policy decisions and investment prioritization
- Support of up-to Rs. 3 lakhs is being provided to ZED certified MSMEs for Technology Upgradation for Zero Effect Solutions.
