**OBJECTIVES OF WINGS INDIA 2026**

6393. DR. D RAVI KUMAR

Will the Minister of CIVIL AVIATION

be pleased to state:-

- (a) the objectives of Wings India 2026;
- (b) whether the advanced air mobility projects have received any regulatory, funding or pilot project support under Wings India 2026 and if so, the details thereof; and
- (c) whether the Government intends to showcase its domestic capabilities in Wings India 2026, if so, the details thereof and if not, the reasons therefor?

**ANSWER**

Minister of State in the Ministry of CIVIL AVIATION (Shri Murlidhar Mohol)

(a) & (b): Wings India 2026 showcased India's civil aviation capabilities, promoted investment and partnerships and positioned India as a global aviation hub while supporting the vision of Viksit Bharat @2047. The event served as a facilitation platform for emerging technologies such as Advanced Air Mobility (AAM), drones and eVTOLs. However, regulatory approvals, funding and pilot projects for such technologies are undertaken through existing Government frameworks.

(c): Wings India 2026 showcased domestic aviation capabilities, including participation from airlines, airport operators, MRO providers, manufacturers, startups and skill institutions. Indigenous platforms, MRO capabilities and digital solutions were highlighted, with focus on promoting Make in India and Atmanirbhar Bharat, along with participation from State Governments.
