**ANSWER**

**THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS**

**(SHRI NITIN JAIRAM GADKARI)**

**(a) to (f) The Government has sanctioned the construction of a grade-separated interchange at the Dwarka Circle in Nashik city at an estimated cost of Rs. 213.86 crore, which is under implementation by the Maharashtra State Infrastructure Development Corporation Limited (MSIDCL). In addition, the State Government has submitted a proposal for the development of the Dwarka Circle junction – Upnagar Naka – Datta Mandir Chowk stretch of NH-60 at an estimated cost of Rs. 258.53 crore to be implemented through Nashik Municipal Corporation. The proposal will be considered for sanction based on requirement of connectivity & traffic density.**

**The work for the construction of Dwarka Circle interchange is under implementation with the scheduled date for completion in February 2027, before the Kumbh Mela - 2027. The interchange is being developed within the available Right of Way (ROW), and all the statutory clearances for the project have been obtained.**

**(g) The alignment for construction of outer ring road for Nashik city has been approved. A part of this ring road has been taken up by the State Government of Maharashtra through its own funds.**
