(b) the amount of funds released under the scheme during the last five years, district-wise; and

(c) whether the Government has fixed any target for completion of the vaccination programme under the said scheme and if so, the details thereof?

ANSWER

MINISTER OF STATE FOR TRIBAL AFFAIRS
(SHRI DURGADAS UIKEY)

(a): Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan (PM JANMAN) was launched for socio-economic development of 75 PVTG communities residing in 18 states and one UT. The mission aims to provide basic facilities to improve their socio-economic conditions such as safe housing, clean drinking water and improved access to education, health and nutrition, road and telecom connectivity, electrification of unelectrified households and sustainable livelihood opportunities in 3 years. These objectives are being met through 11 interventions implemented by 9-line Ministries. Based on the data collection exercise by the State Governments/UT Administration, PVTG population, district-wise, is given in **Annexure-I**. However, the actual number of beneficiaries to be covered under this

abhiyan is subject to eligibility criteria of specific guidelines of concerned interventions as per approved norms.

(b): The details of financial progress for interventions of Ministry of Tribal Affairs during last two years, since the launch, under the abhiyan are given in **Annexure II**.

(c): Under PM JANMAN, there is provision of health services through mobile medical units (MMUs) under NHM of Ministry of Health and Family Welfare (MoHFW). These MMUs are providing primary care services including immunization of children. There was a target of operationalization of 1000 MMUs in PVTG areas under the abhiyan. However, MoHFW has re-assessed the targets to be 750 MMUs.
