**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT  
(SHRI KAMLESH PASWAN)**

**(a) & (b):** Pradhan Mantri Gram SadakYojana-IV (PMGSY-IV) has been launched in 2024 for construction of 62,500 km of all-weather roads (single lane) to provide connectivity to about 25,000 unconnected habitations of population size 500+ in plains, 250+ in NE & Hill States/UTs, special category areas (Tribal Schedule V, Aspirational Districts/ Blocks, Desert areas) and 100+ in LWE affected districts, as per Census 2011. The survey work to identify the eligible unconnected habitation as per population norms has been completed. No proposals have been received by the Ministry from the State of Bihar under PMGSY-IV as on 28.1.2026.

**(c):** Upgradation of works is not the mandate of PMGSY-IV. The mandate of PMGSY-IV is to provide new connectivity to unconnected eligible habitations as per the population norms based on Census 2011.

**(d) & (e):** No such proposal is under consideration in the Ministry as on date.
