THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY  
(SHRI JITIN PRASADA)**

**(a) to (e):** The One District One Product (ODOP) is an initiative by the Department for Promotion of Industry and Internal Trade (DPIIT) without any financial component. The initiative aims to select, brand, and promote at least one product from each district of the country for enabling holistic growth across all regions. The products selected under the ODOP initiative for Tonk and Sawai Madhopur districts of Rajasthan are "Slate Stone Products (Tiles)" and "Marble Products" respectively.

Several steps have been undertaken to promote and enhance the visibility of ODOP products including products identified from Rajasthan. These include, facilitating participation in domestic and international exhibitions, capacity building initiatives in collaboration with various agencies; e-commerce on-

boarding drives for Government e-Marketplace (GeM)- ODOP Bazaar which showcases and stocks India's best ODOP products. For promoting ODOP at international level, engagement with Indian Missions abroad, virtual buyer sellers meets and participation in international exhibitions have been undertaken. Also, various ODOP Products have been included as part of gifting during G-20 meetings in India to popularize these products internationally.

Further, the Government of Rajasthan has announced a dedicated One District One Product (ODOP) Policy in December 2024, operative till 31<sup>st</sup> March 2029. The policy supports margin money assistance for the creation of new ODOP enterprises; scheme for technology/software acquisition; marketing assistance; e-commerce promotion; and assistance for quality certification and standards. Further, ODOP has also been identified as one of the "Panch Gaurav" (Five Pride Elements), the key focus area in each district. A dedicated online registration platform has also been launched by Govt. of Rajasthan to provide ODOP Enterprises with a unique ODOP ID, enabling easier application for various state programs.

The details of financial assistance, training and marketing support provided to small and micro entrepreneurs by the Government of Rajasthan associated with the said products of Tonk and Sawai Madhpur districts are at **Annexure-I**.

To strengthen linkages between products and clusters, enhance export promotion, and provide targeted support through special packages, the Government of Rajasthan has formulated the Rajasthan One District One Product (ODOP) Policy, 2024 and the Rajasthan Export Promotion Policy, 2024.
