**ANSWER**

THE MINISTER OF MINORITY AFFAIRS

(SHRI KIREN RIJJU)

(a): USTTAD scheme was launched in 2015 for targeted capacity building and upgrading traditional skills of master craftspersons/ artisans. Under this Scheme, 33% seats were earmarked for women beneficiaries. Training was imparted to more than 21,000 beneficiaries under the scheme and 89% (approx.) of these beneficiaries were women. Besides, the total beneficiaries from Uttar Pradesh were 9,166 under the USTTAD scheme in clusters like Chikankari, Wood Carving, Traditional Embroidery (Zardozi), Munj Craft, Kashidakari and Crewel work.

Further, under the USTTAD Scheme, the Ministry of Minority Affairs also on-boarded Knowledge Partners of repute like National Institute of Design(NID), and National Institute of Fashion Technology(NIFT) to conduct design and development workshops for identified traditional art and craft clusters. In Uttar Pradesh, six such clusters were covered, through NID and NIFT, under the said scheme, namely:

- i. Banaras Brocade – Varanasi
- ii. Soft Stone – Varanasi
- iii. Glass Flamework – Firozabad
- iv. Kamdani – Lucknow
- v. Chikankari – Lucknow
- vi. Bone Carving – Lucknow

(b): The Ministry had earlier organised 41 Hunar Haats whereby opportunity was given to artisans/craftpersons and culinary experts from across the country including Uttar Pradesh, to showcase and market their handicrafts and indigenous products. These programmes benefitted more than 8 lakh people including artisans, craft persons and associated persons. Out of these 41 Hunar Haats, 9 were organised in Uttar Pradesh at Prayagraj, Lucknow, Rampur, Vrindavan and Agra.

USTTAD scheme has now been converged as a component into an integrated scheme called 'Pradhan Mantri Virasat Ka Samvardhan' (PM VIKAS) for minority communities focusing on skill development; entrepreneurship and leadership development of minority women; and education support for school dropouts.

Under the PM VIKAS scheme, Ministry has been organising 'Lok Samvardhan Parv', bringing together minority artisans from across India and assist them to scale up their operations and businesses. The platform offers artisans a unique opportunity to showcase their indigenous arts, crafts, and rich cultural heritage. The event has been designed not only to promote the traditions of minority communities but also to foster an innovative and entrepreneurial environment for artisans. To enhance their skills in areas like marketing, export & online business, design, taxation and sales etc., workshops are conducted by the Ministry, with support from the Export Promotion Council for Handicrafts (EPCH), ensuring a holistic approach to empowering their talent and augmentation in their incomes. So far, the Ministry has organised 05 Lok Samvardhan Parvs, in Delhi, Jammu & Kashmir and Kerala.

(c): The USTTAD scheme was implemented as a Central Sector Scheme, therefore, no fund allocation was made to States/ UTs under the scheme, and projects were allocated from the year 2016-17 to 2018-19. Thereafter, only committed liabilities under the USTTAD are being discharged (from FY 2023-24, fund allocation was done for 5 erstwhile schemes combined together under PM VIKAS (Committed Liabilities). The details of expenditure under the USTTAD and PM VIKAS (Committed Liabilities) scheme during the last five years is tabulated below:-

Further, the USTTAD scheme was later integrated into the PM VIKAS scheme along with other skilling, education and women empowerment schemes and the PM VIKAS scheme was rolled out in Jan 2025.

(d): Under the USTTAD scheme, NID and NIFT, as Knowledge Partners identified 35 languishing craft clusters and recorded the history, processes, product ranges, market scenarios along with key challenges and submitted it to the Ministry. The list of identified craft clusters is placed at **Annexure 1**. Under the scheme, the Ministry also organised HunarHaats for creating market linkages for artisans and craftspersons.
