

**GOVERNMENT OF INDIA
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS**

**LOK SABHA
UNSTARRED QUESTION NO. 88
ANSWERED ON 29TH JANUARY, 2026**

TRICHY BYPASS

88. SHRI DURAI VAIKO:

Will the Minister of ROAD TRANSPORT AND HIGHWAYS

सड़क परिवहन और राजमार्ग मंत्री

be pleased to state:

- (a) whether the Government has approved/proposed the construction of a 4-lane access controlled Trichy Bypass, including a 3 km elevated corridor at Panjappur in Tiruchirappalli district of Tamil Nadu;**
- (b) if so, the present status of the project including the details of land acquisition, tendering, and financial approval;**
- (c) the total length, estimated cost and mode of implementation of the said project;**
- (d) the timeline fixed for commencement and completion of the project; and**
- (e) the steps being taken to ensure minimal traffic congestion and environmental impact during execution, considering the strategic importance of Panjappur as a major transport and logistics hub?**

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (d) Consultancy services for preparation of Detailed Project Report (DPR) for construction of a 4- lane Trichy Bypass , including proposed elevated corridor at Panjappur in Tiruchirappalli district, has been awarded.

Approval of the project is based on outcome of DPR, traffic density and synergy with principles of PM-Gati-Shakti National Master Plan and the Government of Tamil Nadu to incorporate the bypass in the Development plan and follow other conditions as per urban decongestion policy.

(e) Traffic management Plan during construction would be incorporated in the project proposal.
