नागर विमानन मंत्रालय में राज्य मंत्री

(Shri Murlidhar Mohol)

(a) to (c): A complaint dated 10.01.2026 was received from Shri VS. Matheswaran, Hon'ble Member of Parliament regarding cancellation of Alliance Air flight 9I-513 on 25.12.2025 in the Bengaluru-Salem sector. The matter was examined by Directorate General of Civil Aviation (DGCA) and report was sought from M/s Alliance Air. The airline stated that the flight was impacted due to a technical snag and the planned rectification of the same exceeded the sunset time limitations at Salem airport, leading to cancellation of the flight.

The full airfare was refunded by the airline through the travel agent. However, further compensation could not be offered as the flight cancellation occurred due to circumstances beyond the control of the airline.

(d): The Flight 9I-513 Bengaluru-Salem sector had been cancelled on 53 occasions during the year 01.01.2025 to 31.12.2025 due to various technical, weather, flight operations, airport operations and commercial related reasons.
