ANSWER

MINISTER OF CONSUMER AFFAIRS, FOOD & PUBLIC DISTRIBUTION (SHRI RAM VILAS PASWAN)

(a) to (c): In order to make the Targeted Public Distribution System (TPDS) more focused and targeted at the poorest of the poor, Antyodaya Anna Yojana (AAY) was launched in December, 2000 in all States/Union Territories (UTs) for one crore families to be identified from the Below Poverty Line (BPL) families. Coverage under this scheme has been expanded thrice since then i.e. during 2003-04, 2004-05 and 2005-06 covering additional 50 lakh households each time. Thus the total coverage under AAY was raised to 2.50 crore AAY families. The identification of AAY families within the target of AAY families allocated to each State/UT is the responsibility of concerned State/UT Government. Against the accepted number of 2.50 crore AAY families given to State/UT Governments, upto June, 2015 they have reported issuance of AAY ration cards to about 2.42 crore AAY families. Allocation of foodgrains (rice & wheat) to these AAY families are made @ 35 kg per family per month at a highly subsidized Central Issue Price (CIP) of Rs.2 per kg for wheat and Rs.3 per kg for rice.

- (d): Targeted Public Distribution System (TPDS) is operated under the joint responsibility of Central Government and State/Union Territory (UT) Governments. The Central Government is responsible for procurement, allocation and transportation of foodgrains upto the designated depots of Food Corporation of India. The operational responsibilities for lifting and distributing the allocated foodgrains within the States/UTs and supervision over distribution of allocated foodgrains to eligible card holders through the Fair Price Shops (FPSs) are of the State/UT Governments. The details of allocations, offtake of foodgrains (rice & wheat) made during the last three years and the current year are at Annex.
- (e) to (f): No, Madam.
