

GOVERNMENT OF INDIA
MINISTRY OF NEW AND RENEWABLE ENERGY
LOK SABHA
UNSTARRED QUESTION NO. 1727
TO BE ANSWERED ON 30.07.2015

INVESTMENT IN RENEWABLE ENERGY

1727. SHRI PREM DAS RAI:

Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) whether the Government organised RE-Invest 2015 to showcase India's renewable energy potential, ease of doing business and to attract investments in the sector;
- (b) if so, the details thereof, including the key outcomes achieved and investment commitment made during the summit, sector-wise;
- (c) the salient features of the report on India's Renewable Electricity Roadmap 2030 which was released during the Summit, including the key provisions for North East Region; and
- (d) the details of action plan to achieve the said objectives?

ANSWER

THE MINISTER OF STATE FOR POWER, COAL & NEW AND RENEWABLE ENERGY
(INDEPENDENT CHARGE) (SHRI PIYUSH GOYAL)

(a): Yes, Madam.

(b): RE-INVEST 2015 attracted 458 Commitments by global and domestic Investors/ Project Developers/ Public Sector Enterprises to develop and set up Renewable Energy Projects aggregating to more than 283.30 GW in the next 5 years. Similarly, 37 major Banks and Financial Institutions submitted commitments to finance bankable projects in Renewable Energy Sector aggregating to 75.852 MW. In addition 17 companies also submitted Commitments for setting up manufacturing facilities aggregating to more than 62 GW.

(c) & (d): National Institution for Transforming India (NITI Aayog) initiated the Renewable Electricity Roadmap 2030 for the country including North East Region to determine the challenges and opportunities to greatly accelerate renewable electricity deployment in India. Report presents the opportunities and barriers to renewable electricity, based on stakeholder feedback, and a summary of the rationale, as well as benefits and costs of renewable electricity within the context of the Indian power system. The report suggests a framework for an integrated policy strategy for rapid renewables implementation that complements both the existing and planned conventional power projects. The framework includes:

- A new comprehensive national renewable electricity law and/or policy and its components;
- Support mechanisms to ensure timely implementation; and
 - Grid reforms to ensure smooth integration of renewable electricity.

Annexure-I referred to in reply to parts (b) of the Lok Sabha Unstarred Question No. 1727 for 30.07.2015 regarding Investment in Renewable Energy**Details of companies which have submitted the Green Energy Certificate (GEC) for renewable energy power generation**
