**Minister of State in the Ministry of CIVIL AVIATION**

**नागर विमानन मंत्रालय में राज्य मंत्री**

**(Dr Mahesh Sharma)**

- 
- (a): The State/UT-wise details of profit-making airports in the country belonging to Airports Authority of India (AAI) are at Annexure-I.
- (b) & (c): Yes, Madam. The details of AAI airports incurring losses during the years 2010-11, 2011-12, 2012-13 and 2013-14 are at Annexure-II. The losses incurred at various airports are primarily due to low air traffic movements resulting in lesser aeronautical revenue, low non-aeronautical revenue potential and basic operating expenditure on account of regulatory/IATA and security requirements.
- (d): AAI has initiated several steps to make the loss making airports viable and profitable by development of cargo activities, enhancement of non-aeronautical revenue through revision of rates and award of contracts through master concessions, allowing operation of flying schools at non-operational airports, encouraging Maintenance, Repair &

**Overhauling (MRO) activities, revision of base rates etc.**
