- (i) Specific Export Obligation under Export Promotion Capital Goods (EPCG) scheme, in case capital goods are procured from indigenous manufacturers, has been reduced to 75% of the normal export obligation. This may help indigenous manufacturing industry of capital goods.
- (ii) Under Merchandise Exports from India Scheme (MEIS), export items with high domestic content and value addition have generally been provided higher level of rewards.
- (iii) All duty credit scrips issued under MEIS & SEIS and the goods imported against these scrips are fully transferable.

(IV) For reward schemes and duty exemption schemes, hard copies of applications and specified documents which were required to be submitted earlier have now been dispensed with.

-3-

- (iv) Landing documents of export consignment as proof of notified market, can now be digitally uploaded as specified.
- (v) There will be no need to submit copies of permanent records/documents repeatedly with each application, once the same are uploaded in Exporter/Importer Profile.

  - (i) Widening the scope of MEIS by including more products, enhancing the reward rates, country coverage on the certain export products

In the light of the major challenges being faced by Indian exporters in the backdrop of the global economic slowdown, Department of Commerce has announced increased support for export of various products and included some additional items under the Merchandise Exports from India Scheme(MEIS). This has been introduced through Public Notice No. 27 dated 14 th July 2015, Public Notice No. 28 dated 15th July 2015 and Public Notice No. 44 dated 29th October, 2015 issued by the Directorate General of Foreign Trade. revenue outgo under this scheme has accordingly increased from Rs. 18000 crore to Rs. 21000 crore.

Online filing of documents/ applications and Paperless trade in 24x7 environment:

- DGFT already provides facility of Online filing of various applications under FTP by the exporters/importers. However, certain documents like Certificates issued by Chartered Accountants/ Company Secretary/Cost Accountant etc. have to be filed in physical forms only. In order to move further towards paperless processing of reward schemes, it has been decided to develop an online procedure to upload digitally signed documents by Chartered Accountant / Company Secretary / Cost Accountant. In the new system, it will be possible to upload online documents like annexure attached to ANF 3B, ANF 3C and ANF 3D
- Hard copies of applications and specified documents are not required to be submitted to RA, saving paper as well as cost and time for the exporters. To start with, applications under Chapter 3 & 4 of FTP are being covered (which account for nearly 70% of total applications in DGFT).

- As a measure of ease of doing business, landing documents of export consignment as proofs for notified market can be digitally uploaded in the following manner:-
  - (i) Any exporter may upload the scanned copy of Bill of Entry under his digital signature.

-10-

- (ii) Status holders falling in the category of Three Star, Four Star or Five Star Export House may upload scanned copies of documents.

    - ii. EPCG Authorization Holders shall be required to maintain records for a period of two years only. Government's endeavour is to gradually phase out this requirement as the relevant records such as Shipping Bills, e-BRC are likely to be available in electronic mode which can be archived and retrieved whenever required.
  - iii. Exporter Importer Profile: Facility has been created to upload documents in Exporter/Importer Profile. There will be no need to submit copies of permanent records/ documents (e.g. IEC, Manufacturing licence, RCMC, PAN, etc.) repeatedly with each application, once uploaded.
  - iv. Communication with Exporters/Importers: Certain information, like mobile number, e-mail address etc. has been added as mandatory fields, in IEC data base. This information once provided by exporters, would help in better communication with exporters. SMS/ email would be sent to exporters to inform them about issuance of authorisations or status of their applications.
  - v. Online message exchange with CBDT and MCA: It is decided to have on line message exchange with CBDT for PAN data and with Ministry of Corporate Affairs for CIN and DIN data. This integration would obviate the need for seeking information from IEC holders for subsequent amendments/updation of data in IEC data base.

- vi. Communication with Committees of DGFT: For faster and paperless communication with various committees of DGFT, dedicated e- mail addresses have been provided to each Norms Committee, Import Committee and Pre-Shipment Inspection Agency for faster communication.

### 11. What are the measures taken by Government to boost the falling exports

#### from India?

- > The details of measures taken by Government to boost the falling exports from India are:
- (i) New Foreign Trade Policy (2015-20) launched on 1st April, 2015 with a focus on supporting both manufacturing and services exports and improving the 'Ease of Doing Business'. The policy has introduced two new schemes, namely, 'Merchandise Exports from India Scheme' (MEIS) for incentivising export of specified goods to specified markets and 'Service Exports from India Scheme' (SEIS) for increasing exports of notified services from India, by consolidating earlier schemes.
- (ii) By way of trade facilitation and enhancing the ease of doing business, Government reduced the number of mandatory documents required for exports and imports to three each, which is comparable with international benchmarks. The trade community can file applications online for various trade related schemes. Online payment of application fees through Credit/Debit Cards and electronic fund transfer from 53 Banks has been put in place.
- (iii) The Government has also expanded the coverage of Merchandise Exports from India scheme on 29th October, 2015 by adding 110 new items. The reward rates/country coverage of 2228 items were enhanced.

- Consequently the envisaged revenue outgo under the scheme was increased from Rs. 18,000/- crore earlier to Rs. 21,000/- crore per annum.
- (iv) Government has infused additional Corpus (Capital) to the tune of Rs. 375/crore into the National Export Insurance Account (NEIA), raising the corpus to over Rs. 2,100/- crore, and strengthen the capacity to augment Project exports from the country. The equity capital of ECGC Ltd. has also been raised by Rs. 50 crore to Rs. 1,300 crore, enabling higher underwriting capacity to support exporters to expand their business and support banks for adequate lending to exporters.
- (v) Recently, the Government has approved the proposal for implementing the Interest Equalization Scheme on Pre & Post shipment Rupee Export Credit w.e.f. 1st April, 2015 for 5 years, incorporating an interest equalization element of 3% per annum. This scheme will facilitate access to export credit at competitive rate of interest, given the lower interest rate level prevailing for exporters in other countries.
- (vi) The State Governments have been requested to develop their export strategy, appoint export commissioners, address infrastructure constraints restricting movement of goods, facilitate refund of VAT/Octroi/State level cess, and address other issues relating to various clearances etc. and build capacity of new exporters, in order to promote exports.
