(a) to (c): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) to (c) OF LOK SABHA STARRED QUESTION NO. 311, ASKED BY SHRI RAVNEET SINGH AND SHRI KALIKESH N. SINGH DEO, TO BE ANSWERED ON 21.12.2015 REGARDING “REIMBURSEMENT OF FUNDS UNDER RIGHT TO EDUCATION ACT”

(a) to (c): Section 12(1)(c) of the RTE Act provides for admission of children belonging to weaker sections and disadvantaged groups in the neighbourhood schools in Class I to the extent of at least 25 percent of the strength of that class. Section 12(2) further mandates that such schools shall be reimbursed expenditure incurred by them as per the prescribed norms. As per school based data provided on various educational indicators under Unified District Information System for Education (UDISE), 2014-15 (provisional) 14.22 lakh students benefitted from the reservation earmarked for the children belonging to weaker sections and disadvantaged groups in private unaided schools, under Section 12(1)(c) of the RTE Act till September, 2014.

The Sarva Shiksha Abhiyan (SSA) is a flagship programme of the Central Government through which State Governments/UTs are financially assisted for universalization of elementary education. The SSA Framework has been amended with effect from 1st April, 2014 to assist the States/UTs towards reimbursement of costs incurred with respect to admissions under Section 12(1)(c) of the Act. The reimbursement is based on per child cost norms notified by the State/UT concerned for classes I to VIII. For reimbursement claims, private unaided schools complying with Section 12(1)(c) submit their claim of reimbursement to respective State Governments/UTs through the district office. Thereafter, the State Governments/UTs reimburses the expenditure incurred by private unaided schools. Thereafter, the State/UT brings forth the proposal to the Central Government for reimbursement against the expenditure incurred under the applicable SSA norms.

The fund approved for reimbursement to the States/UTs will be a part of the overall allocations under SSA for a given year which will be shared between Centre and States/UTs as per the applicable sharing pattern.

In the year 2015-16, under the SSA an amount of Rs. 25065.571 lakh has been approved for 5.05 lakh children of seven States which have submitted duly completed proposals, against the expenditure incurred by them for fee reimbursement to private schools for admitting children under Section 12(1)(c) of the RTE Act during the year 2014-15. There are no pending proposals for fee reimbursement as stipulated under Section 12(1)(c) of the RTE Act, 2009 with the Central Government. State-wise details of amount proposed/claimed by these seven States and approved by the Ministry under Annual Work Plan and Budget in 2015-16 is at Annexure.
