ANSWER

MINISTER OF STATE IN THE MINISTRY OF FINANCE

(SHRI JAYANT SINHA)

- (a) State Bank of India has been raising resources from the Capital markets by way of bond issuances from time to time to take care of asset growth and to ensure repayment of maturing liabilities. SBI has been considering an issuance of US\$ 1-1.5 billion recently, partly to repay maturing bond liabilities and partly to fund asset growth. However, in view of the volatility in the global financial markets, the issuance has not materialized.
- (b) Yes Madam.
- (c) The increased volatility in global financial markets is not conducive for appropriate pricing of proposed bonds.
- (d) Timing has not been decided.
