Government provides vocational skill training to women for wage and self-employment to help them gain economic upliftment and social empowerment

A network of institutes, both under [Central](#) & [State](#) Governments, has been setup to extend vocational training facilities solely to women which aim at stimulating employment opportunities among women of various socio-economic levels and different age groups. These institutes organize training courses in skills having self/wage employability.

Under Central Sector, a National Vocational Training Institute (NVTI) for Women, NOIDA and ten Regional Vocational Training Institutes (RVTIs) for Women have been set up at Mumbai, Bangalore, Thiruvananthapuram, Panipat, Kolkatta, Tura, Allahabad, Indore, Vadodara & Jaipur. These are directly run by the Central Government.

The NVTI/RVTIs, organize National Council for Vocational Training (NCVT) approved skill training programmes under Craftsmen Training Scheme (CTS) and Craft Instructors Training Scheme (CITS). NVTI/RVTIs are also conducting need based short-term courses.

Under State Sector, number of Industrial Training Institutes for women and Women wings in general Industrial Training Institutes (ITIs) cater exclusively to the skill training needs of women. These are run by the State Governments. Total annual training capacity of NVTI/RVTI for women, Industrial Training Institutes (ITIs) for women and Women Wings in ITIs is 85,036 with the following break-up:

- **Annual training capacity of NVTI/RVTI is under DGE&T is 6956 seats (regular and adhoc/additional)**
- **Annual training capacity of ITIs for women (government & private) and Women Wings in ITIs (government & private) in 78,080 seats**

Training courses under Craftsmen Training Scheme are also being offered through a network of 10,344 Government and Private Industrial Training Institutes (Govt. and Pvt. ITIs) located all over the country with total seating capacity of 14.68 lakh with an objective to provide skilled work force to the industry in 132 trades. There is no upper age limit for candidates taking admission in these ITIs.

To promote participation of women in various trades covered under Craftsmen Training and to ensure courses offered in ITIs are free from considerations based on stereotypes, State Government have been requested to reserve 30% seats for women in all 10,344 general ITIs, in each trade.
