Will the Minister of **COMMERCE AND INDUSTRY** be pleased to state:

**वाणिज्य एवं उद्योग मंत्री**

- (a) whether employment percentage has registered a growth as a result of increase in foreign direct investment and if so, the percentage increased in employment in the country, State-wise including Rajasthan; and
- (b) the details of the sectors in which foreign direct investment has recorded an increase during each of the last three years and the current year, State/UT and sector-wise?

**ANSWER**

**वाणिज्य एवं उद्योग राज्यमंत्री (स्वतंत्र प्रभार)(श्रीमती निर्मला सीतारमण)  
THE MINISTER OF STATE (INDEPENDENT CHARGE)  
OF THE MINISTRY OF COMMERCE & INDUSTRY  
(SHRIMATI NIRMALA SITHARAMAN)**

- (a): Data is not maintained centrally for assessing the impact of increased FDI on the employment generation. However, FDI directly supplements the domestic capital and brings technology and skill in the sectors of direct entry. It has indirect multiplier effects on other related sectors also thereby stimulating economic growth leading to increased production, exports and employment generation.
- (b): The list of the sectors in which FDI has recorded an increase during each of the last three years and the current year is given at Annexure –I. Further, the details of FDI inflow in all the sectors are also given at Annexure –II. FDI data is not maintained state wise, but RBI regional office wise. FDI equity inflows recorded for a particular regional office of RBI, may cover more than one state. Accordingly, region wise details of FDI equity inflow are at Annexure –III.
