- (c) if so, the details thereof?

ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) FOR ENVIRONMENT, FOREST AND CLIMATE CHANGE

(SHRI PRAKASH JAVADEKAR)

(a) to (c) Ministry of Rural Development has informed that different activities in 696 Gram Panchayats identified under the Saansad Adarsh Gram Yojana (SAGY) take place through the convergence and implementation of existing Government Schemes and Programmes.

Ministry of Environment, Forest & Climate Change implements afforestation programmes and schemes which *inter alia* include National Afforestation Programme (NAP) and National Mission for a Green India to encourage vegetable and fruit plants through Agro-Forestry and Social Forestry by involving local communities in project governance. Under NAP, an advisory has been issued by the National Afforestation and Eco-Development Board to the State Forest Development Agencies to ensure convergence of SAGY with NAP at village level afforestation, wherever, appropriate/possible.
