ANSWER

**MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL
DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI RAJIV PRATAP RUDY)**

- (a) A mid-term tracer study was conducted under the World Bank assisted Vocational Training Improvement Project to measure labour market performance of graduates passed out from Government ITIs. Based on this study, conducted in 2011-12, 60% of project ITIs' pass-outs find employment within one year of finishing training, as compared to baseline of 32% conducted in Year 2006-07.
- (b) A Training, Counseling & Placement Cell has been set up in each Government ITI to facilitate placement to the trainees. Also, a Placement Module has been hosted on www.ncvtmis.gov.in to facilitate placement of trainees of Government & Private ITIs in the industries.
