(Dr Mahesh Sharma)

(a) There are 34 functional Flying Training Institutes in the country for pilot training run by the Government/ Private sector/ State Government. A list of Flying Training Institutes is attached as annexure.

(b) to (f) Pilot Training Institutes run on commercial interests and it is not possible to incentivize the institutes. However, Directorate General of Civil Aviation has recently revised the Civil Aviation Requirements on 31.07.2015 to simplify conditions under which these institutes operate. Further, Government of India does not regulate/ propose to regulate the fee structure of these institutes.
