ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING {COL RAJYAVARDHAN RATHORE (Retd.)}

- (a) and (b): As per the notification S.O. 2534(E) dated 11.11.2011 issued by the Ministry, digitization of cable TV in India is to be completed in four Phases. Phase-I which covers four metro cities namely Delhi, Kolkata, Chennai and Mumbai have been completed on 31.10.12 except Chennai since some court cases are pending there. Phase-II of the cable TV digitization which covers 38 cities having the population more than 10 lakhs have been completed by 31.03.2013 except Coimbatore where some court cases are pending. Phase-III cable TV digitization shall cover all the urban areas (except areas already covered in Phase-I

and Phase-II) for which the cut-off date is 31st December, 2015 whereas the cut-off date for Phase-IV covering rest of India is 31st December, 2016.

(c): As on date, 1158 applications have been received in the Ministry to register first time as Multi System Operators (MSOs) to operate in Digital Addressable System (DAS) notified areas of Cable TV across the country and/or extension of areas of operation. 230 regular registrations and 323 provisional registrations totalling to 553 registrations have been issued so far. 27 MSO registrations have been cancelled.

The city-wise and State/UT-wise details are available on the Ministry's website i.e. www.mib.nic.in.

(d): No Sir.

(e) No, Sir. However, to steer the process of Cable TV Digitization, a Task Force, comprising of all the stakeholders, has been constituted in the Ministry. Monthly meetings of the Task Force are held to assess progress and to identify solutions on issues raised.
