**ANSWER**

MINISTER OF STATE (INDEPENDENT CHARGE) FOR ENVIRONMENT, FOREST AND CLIMATE CHANGE

(SHRI PRAKASH JAVADEKAR)

(a)&(b) The emission standards for specific industries have been notified in Schedule-I of the Environment (Protection) Act, 1986; while general emission standards are notified under the Schedule-VI. The standards for industries are implemented by State Pollution Control Boards (SPCBs)/ Pollution Control Committees (PCCs) through consent mechanism. SPCBs/PCCs also regularly monitor the compliance of emission standards. So far emission standards for 45 different categories of industry have been notified under Schedule-I of the Environment (Protection) Act, 1986 by the Ministry of Environment, Forest and Climate Change.

(c)&(d) The recent emission standards developed/notified by this Ministry are after taking into consideration International Standards also.
