कृषि एवं किसान कल्याण मंत्रालय में राज्य मंत्री (SHRI MOHANBHAI KUNDARIA)

(a) The Farmers Portal along with mKisan Portal aims to serve as a *One Stop Shop* for all the farmers for accessing information on agricultural activities. The Portal provides information about package of practices; crop and seed varieties; common pests; dealer network for seeds, fertilizers & pesticides; machinery and tools; agro-met advisories, credit & insurance, rain-fed areas etc.

(b) & (c) The Department has commissioned a study to assess the effectiveness, utility and impact of such a service in the rural and agriculture heartlands of the country. Report is awaited.

(d) Both these Portals can easily be accessible from any part of the country free of cost by the farmers by visiting the Ministry's site at URL: [www.farmer.gov.in](http://www.farmer.gov.in) and [www.mkisan.gov.in](http://www.mkisan.gov.in). Its activities are also highlighted through short discussion/interview on "DD Kisan Channel". Efforts are continuously being made to register farmers through mKisan Portal and Kisan Call Centre (KCC). Initiatives are also made to popularize this portal through advertisement in newspapers. Extension workers also put in their effort to popularize the portal among the farmers by holding meeting and workshop at different levels in the States.
