ANSWER
MINISTER OF HUMAN RESOURCE DEVELOPMENT

(SMT. SMRITI ZUBIN IRANI)

(a) (b) & (c): In some cases, duplication of names of faculty in the database of some of the technical institutions have been found. All India Council for Technical Education (AICTE) initiated action for updating the faculty details of all the technical institutions alongwith their PAN and AADHAR Card on its web portal to avoid duplication of faculty. About 33.85% of the faculty have submitted their AADHAR Card details. The percentage of faculty with PAN Card details uploaded on AICTE website is 73.91%. Efforts are being made to obtain data of every faculty.

(d): State-wise details of colleges that have been identified with duplicate faculty across the country are at Annexure. In case, an institute fails to adhere to norms laid down for **"Faculty Requirements and Cadre Ratio"**, an appropriate action is initiated as prescribed in the Approval Process Handbook, which could include withdrawal of approval.

Annexure as referred to in reply to part (d) of the Lok Sabha Unstarred Question Number 31 for reply on 30.11.2015 asked by SHRI GUTHA SUKENDER REDDY regarding Fake Faculty in Private Technical Colleges.
