- (a) & (b) Four Border Haats, two in Meghalaya at Kalaichar in West Garo Hills and Balat in East Khasi Hills and two in Tripura at Kamlasagar and Srinagar are functional at present. In addition to the four functional Border Haats, Government of India and Government of the People's Republic of Bangladesh have approved six more Border Haats- two in Tripura at Palbasti (Raghna) and Kamalpur (Dhalai) and four in Meghalaya at Bholaganj in East Khasi Hills, Nalikata in South West Khasi Hills, Shibbari in South Garo Hills and Ryingku in East Khasi Hills.

The Border Haats aim at promoting the wellbeing of the people dwelling in remote areas across the borders of two countries, by establishing traditional system of marketing the local produce through local markets.
