- (d) if so, the important features of the policy; and
- (e) the measures taken by the Government to maintain groundwater level and protection of environmental damages?

ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) FOR ENVIRONMENT, FOREST AND CLIMATE CHANGE

(SHRI PRAKASH JAVADEKAR)

- (a) & (b) Assent from “The Plachimada Coca-Cola Victims Compensation Claims Special Tribunal Bill, 2011” has been withheld and the Bill returned by the Union Government in November 2015.
- (c) to (e) The Government is taking a number of steps for tackling over- exploitation of ground water and the resultant environmental impacts. The steps taken include constitution of Central Ground Water Authority (CGWA) to regulate and control development and management of ground water resources in the country. 964 critical/over exploited areas are under regulation of CGWA through district authorities/SPCBs. The ground water quality is being monitored at around 16,000 locations by Central Ground Water Board and Central Pollution Control Board.
