Out of these NIMZs, the Government has granted final approval to the NIMZ at Prakasam in Andhra Pradesh on 6th October, 2015

(c): The Government of India has approved a fund of Rs. 17,500 crores as a Revolving Corpus for development of trunk infrastructure in the DMIC region. The Government of Japan has announced their financial support for DMIC project to an extent of US\$ 4.5 billion in the first phase for projects with Japanese participation through a mix of Japan International Cooperation Agency (JICA) and Japan Bank for International Cooperation(JBIC) lending.

The concerned State Governments have been requested for further clarifications/ details about these proposals.
