

GOVERNMENT OF INDIA  
MINISTRY OF COAL

**LOK SABHA UNSTARRED  
QUESTION NO.760  
TO BE ANSWERED ON 03.12.2015**

**Coal Mines**

**760. DR. PRITAM GOPINATH MUNDE:**

Will the Minister of COAL be pleased to state:

- (a) the number of coal mines presently closed/working in the country, State-wise along with the steps taken to revive the closed coal mines;
- (b) the details of minerals produced in the coal mines; and
- (c) the production capacity of these coal mines, mine and State-wise?

**ANSWER**

**MINISTER OF STATE (IC) IN THE MINISTRY OF COAL, POWER AND  
NEW & RENEWABLE ENERGY**

**(SHRI PIYUSH GOYAL)**

**(a)** State-wise number of working mines and closed/abandoned/discontinued mines since nationalisation of Coal India Limited as on 1.04.15 is given below:

(Provisional)

State	Number of working mines	Number of closed/abandoned/discontinued mines since nationalisation
WB	88	54
Jharkhand	135	46
MP	65	55
UP	4	0
Chhattisgarh	52	25
Maharashtra	56	11
Orissa	26	2
Assam	4	3
CIL	430	196

Mines are closed due to exhaustion of reserves, techno-economic ground, safety reasons, adverse geo-mining conditions etc. Some mines were closed due to exhaustion of extractable reserves of coal, which cannot be extracted economically, so the proposal regarding revival is not relevant. However, the mines closed due to other reasons like techno-economic ground, adverse geo-mining conditions, safety reasons etc. can be revived if conditions like suitable technology with economic viability, permissible environmental limits regarding safe and favorable mine condition in case of fire and inundation are available.

- (b): Raw coal is produced from the coal mines.
- (c): Mine and State-wise production capacity as on 1.4.2015 is enclosed.
