(c) & (d): As per the provisions of the Delhi Special Police Establishment (DSPE) Act, 1946, the superintendence over Central Bureau of Investigation (CBI) in respect of investigation of Prevention of Corruption (PC) Act cases vests with the Central Vigilance Commission (CVC). To perform this statutory role, the CVC conducts regularly monthly review meeting with Director CBI in which among other things, an in-depth review of the progress of investigation of cases under PC Act is done.

Honøble Supreme Court in a catena of judgements, from time to time and more recently in M.L Sharma vs Union of India (commonly known as the coal block allocation cases) called for the independence and autonomy of CBI and as such the Central Government does not interfere in the investigation of cases carried out by the CBI.

CBI also conducts periodical meetings of its senior officers in which, inter alia, the investigation of cases is reviewed in detail. In addition, all court orders are scrutinized in CBI and appropriate action is taken thereafter.
