STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA STARRED QUESTION NO. 222 RAISED BY SHRI VINAYAK BHAURAO RAUT AND SHRI SUNIL KUMAR MONDAL FOR ANSWER ON 14.3.2016 REGARDING CHILD LABOUR.

(a) & (b): Child Labour is an outcome of various socio-economic problems. The number of main workers in the age group of 5-14 years in the country is 43.53 lakh as per 2011 Census which shows a decline from 2001 Census. The number of main workers in the age group of 5 to 14 years as per 2011 Census, State-wise is given at Annexure. The sector wise data is not available from 2011 Census.

(c) to (e): Child Labour (Prohibition & Regulation) Act, 1986 prohibits the employment of children below 14 years of age in certain occupations and processes and regulates the working conditions of children in employment where they are not prohibited. Under the Child Labour (Prohibition & Regulation) Act, 1986, Central Government is the appropriate Government for enforcement in respect of Central Government establishments, railways, major ports, mines or oil fields and in all other cases, State Government is the appropriate Government for enforcement of the Act. As per the Act, the appropriate Government may appoint Inspectors for the purpose of securing compliance with the provisions of the Act. Ministry oversees the effective enforcement of the Act through regular monitoring and periodical review of reports sent by State Governments. As per the information received from States/UTs the number of inspections carried out under Child Labour (Prohibition & Regulation) Act, 1986 during the last three years is as under:

Year	No. of inspections
2013	230642
2014	269628
2015	143914

A Bill to amend the Child Labour (Prohibition & Regulation) Act, 1986 has been introduced in Rajya Sabha in 2012. The Government has also decided to move Official Amendments to this Bill. The Amendment Bill along with Official Amendments, inter-alia, proposes complete prohibition on employment of children below 14 years, linking the age of prohibition with the age under Right of Children to Free and Compulsory Education Act, 2009, making the punishment for employers more stringent and constitution of Rehabilitation Fund for rehabilitation activities.

Government is also implementing the National Child Labour Project (NCLP) Scheme under which the children rescued/ withdrawn from work in the age group of 9-14 years are enrolled in the NCLP Special Training Centres. They are provided with bridge education, vocational training, mid day meal, stipend, health care etc. in the Special Training Centres before mainstreaming into formal education system. Children in the age group of 5-8 years are directly linked to the formal education system through a close coordination with the Sarva Shiksha Abhiyaan (SSA). The Scheme also envisages awareness generation campaigns against the evils of child labour and enforcement of child labour laws. Further, Government has reviewed the guidelines for the NCLP Scheme to make it more effective towards rehabilitation of child labour. A Central Monitoring Committee with the representatives from State Governments and other concerned Ministries/Departments for overall supervision of the child labour projects, to discuss, analyse, invite suggestions on eradication of child labour is already in place. The last meeting of the Committee was held on 17.2.2016.
