ANSWER

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI MANOJ SINHA)

- (a) & (b): Ministry of Railways have formed a new Special Purpose Vehicle**

(SPV) named National High Speed Rail Corporation Limited to implement the project.

The salient features of Project are:

- **Total length of corridor – 508 kms .**
- **Maximum design speed of 350 kmph and operating speed of 320 kmph.**
- **In 2023, approximately 13 million passengers per annum.**
- **The total journey time of a fast train will be 2.07 hrs.**
- **Total Project cost is estimated to be ₹ 97,636 crore (including price escalation, Interest During Construction (IDC) and import duties) - 81% of the project cost funded by Government of Japan loan for 50 years at 0.1% per annual interest with 15 years moratorium periods.**

(c) & (d): State Governments of Maharashtra and Gujarat have been requested to participate in the equity of the SPV which will implement the project. (Ministry of Railways 50% equity, and balance contributed by State Governments of Maharashtra and Gujarat)

(e): Government of Japan has agreed to provide loan covering approximately 81% of total project cost at 0.1% per annum interest for 50 years with 15 years moratorium. For timely completion of project, a Joint Committee has been formed under Vice Chairman of NITI Aayog with Secretary Department of Industrial Policy & Promotion (DIPP), Secretary Department of Economic Affairs, Foreign Secretary and Chairman Railway Board as members to monitor the project.
