(a) to (d): A Statement is attached.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (d) OF LOK SABHA UNSTARRED QUESTION NO. 1569 FOR ANSWER ON 4.3.2016

1. The list of Defence equipment manufacturing units in the Government / Defence Public Sector and their locations is at Annexure-I.
2. The list of Defence Licensee Companies, in the Private Sector, which have intimated commencement of commercial production is at Annexure-II.
3. Government constantly reviews the security scenario and accordingly decides to procure defence equipment from indigenous and foreign vendors. This is a continuous process to keep the Armed Forces in a state of readiness to meet any eventuality.
4. Procurement from indigenous vendors accounts for a significant share in Capital acquisition. The major countries from which defence equipments have been imported in the past include Russia, USA, Israel, France, UK, etc. However, even in cases where current operational exigencies necessitate import of defence equipment, efforts are made where possible, to ensure the involvement of Indian industries as production agencies, offset partners etc.
5. The details of expenditure incurred on import of defence equipment (both capital & revenue items) by all the Services in the last three years are as below:

(Rs. in Crore)

	2012-13	2013-14	2014-15
Expenditure (Revenue & Capital)	30370.80	38202.66	29222.30
