DEPARTMENT OF DEFENCE
LOK SABHA

UNSTARRED QUESTION NO.2374
TO BE ANSWERED ON THE 11TH MARCH, 2016

MODERNIZATION OF COMBAT AIRCRAFT

2374. SHRI GAJENDRA SINGH SHEKHAWAT:

Will the Minister of DEFENCE जेके एच
be pleased to state:

- (a) whether the IAF is going to modernize its combat aircraft; and
- (b) if so, the details thereof?

A N S W E R

MINISTER OF DEFENCE

जेके एच

(SHRI MANOHAR PARRIKAR)

¼Jh euksgj ijhZdj½

(a) & (b): Modernisation of the Armed Forces is a continuous process based on threat perception, operational challenges and technological changes to keep the Armed Forces in a state of readiness to meet the entire spectrum of security challenges. This is achieved through induction of new equipment and technological upgradation of capabilities. The equipment requirements of the Armed Forces are planned and progressed through a detailed process which includes 15 year Long Term Integrated Perspective Plan (LTIPP), a five year Service-wise Capability Acquisition Plan, a two year roll-on Annual Acquisition Plan and deliberations by the Defence Acquisition Council chaired by the Raksha Mantri.

.....2/-

MiG-29, Jaguar, Mirage-2000 fighter aircraft are being upgraded in a phased manner. The planned inductions include Su-30 MKI and Tejas Light Combat Aircraft.

Further, as per the India-France Joint Statement issued by the two countries during the Prime Minister's visit to France, Government of India conveyed to the Government of France that in view of the critical operational necessity for Multirole Combat Aircraft for Indian Air Force (IAF), Government of India would like to acquire 36 Rafale jets in fly-away condition as quickly as possible. A Memorandum of Understanding (MoU) between Indian and French Government has also been signed on January 25, 2016 in this regard. Negotiations with the French side are currently on.
